

# THE FISHERMAN

A publication of St. Andrew By-The-Sea United Methodist Church

*And He said to them, "Follow Me, and I will make you fishers of men."* MATTHEW 4:19

My wife, Rebecca, has become quite the gardener this past summer. The parsonage yard has blossomed with beauty: morning glories, vincas, moon vines, sunflowers, petunias, zinnias, cosmos. We're now at the middle-age stage in life where a

morning and an evening walk in our yard is high entertainment! I marvel at Rebecca's gardening abilities, and her generosity with what she has worked so hard to grow: she gives away most of these flowers to our neighbors, and many of you have benefited from her green-thumb-giveaways on Sunday mornings as well.

Watching her, I've learned a lot about what goes into gardening: in order for a seed to grow, you have to prepare, plant, nurture, and harvest. And once you harvest, one of the best feelings is to give generously out of the growth.

This month, we focus on Stewardship: what does it mean to care for the seeds of generosity that God gifts us with? We will explore what it means to prepare the soil, plant the seeds, nurture the vine, and harvest God's growth. Consider some of these Scriptures that we will be reading together:

<sup>11</sup> *God said, "Let the earth grow plant life: plants yielding seeds and fruit trees bearing fruit with seeds inside it, each according to its kind throughout the earth." And that's what happened...*

<sup>26</sup> *Then God said, "Let us make humanity in our image to resemble us so that they may take charge of the fish of the sea, the birds in the sky, the livestock, all the earth, and all the crawling things on earth..."* <sup>28</sup> *"God blessed them and said to them, "Be fertile and multiply (Genesis 1:11, 26, 28)*

<sup>5</sup> (Jesus said) *'I am the vine; you are the branches. Those who abide in me and I in them bear much fruit'* (John 15:1)

*He also said, "With what can we compare the kingdom of God, or what parable will we use for it?"* <sup>31</sup> *It is like a mustard seed, which, when sown upon the ground, is the smallest of all the seeds on earth,* <sup>32</sup> *yet when it is sown it grows up and becomes the greatest of all shrubs and puts forth large branches, so that the birds of the air can make nests in its shade."* (Mark 4:30-32)

<sup>9</sup> *For we are God's coworkers, working together; you are God's field* (1 Corinthians 3:9)

## RACISM AND THE CHURCH

*How Do We Respond?*

**SATURDAY, OCTOBER 18**  
**10:00 AM**

### THE CHURCH'S HISTORY WITH RACISM AND ITS EFFORTS TO DISMANTLE IT

The vestiges of America's original sin—racism—are still with us. While progress has been made, the work of justice and healing remains unfinished. Racism continues to divide and harm individuals, communities and churches across generations. Let's journey together toward justice, understanding, and change.

## Fall Soup Kitchen Report

To date this year, St. Andrew's Soup Kitchen has served literally thousands of lunches, providing essential nourishment to the community. Tuesday lunches are provided as nutritious take-away meals, while Fridays feature kitchen-prepared, sit-down service. Based on the current trend, the Soup Kitchen is projected to serve over 7,000 lunches in 2025.

## HARVEST TABLE PROGRAM

The Harvest Table program supplies groceries and fresh produce each week. This outreach suggests that more than 12,000 individuals will benefit from this program throughout 2025. The estimated retail value of these food distributions is expected to reach approximately \$150,000 over the year, highlighting the significant impact of the program.

## HOW TO DONATE

St. Andrew church members and friends are encouraged to donate food items regularly through two main avenues: the blue Blessing Box in the parking lot and the white Giving Cart located outside the sanctuary entrance each Sunday.

### The Blue Blessing Box

The Blessing Box operates on the principle of "Give What You Can and Take What You Need." Volunteers restock it three times weekly, ensuring a steady supply for those in need. Church members are invited to contribute regularly, such as donating one item per member each Sunday.

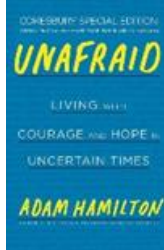

## THE WHITE GIVING CART

The Giving Cart provides another opportunity to support the Soup Kitchen and is conveniently located near the church entrance every Sunday. A list of recommended food items is available in the cart. There is always a need for recycled plastic and paper grocery bags. Approximately 200 plastic bags are used weekly for Harvest Table distributions. You may drop bags off on Sundays or in the church office during the week.

## VOLUNTEER OPPORTUNITIES

If you'd like to serve at the Soup Kitchen, please contact Tom Sharp at [thomasosharp@gmail.com](mailto:thomasosharp@gmail.com).

**The Lord's Prayer** By Adam Hamilton  
**Thursdays at 8:00 am**  
**Men's Devotional Group**  
**Begins on October 23 (online only)**

When the disciples asked Jesus how to pray, Jesus gave them this prayer. He likely taught it to his followers often, not just one time. He never intended the Lord's Prayer to be a museum piece, framed and placed on a mantel or in a display case. It was Jesus teaching God's people, through his disciples, how to pray.

In *The Lord's Prayer: The Meaning and Power of the Prayer Jesus Taught*, we will be guided us to really know—and really pray—the Lord's Prayer. We will explore each of its rich lines and their meaning in the Bible, illuminating what we ask of God and what we ask of ourselves through its words.

For decades, the question of whether LGBTQ persons should be included in Christian communities has been debated by those of almost every denomination. The authors, a father (a New Testament scholar) and son (an Old Testament scholar), explore a more expansive way of listening to the overarching story told in Scripture. They remind us of a dynamic and gracious God who is consistently broadening His grace to include more and more people.

We will be discussing the entire book over six weeks this Fall. We invite all to come, no matter your opinions. Please join us for what we hope will be lively and informative conversation!

## Creeds and Affirmations

Depending on your faith tradition, you may have grown up learning and reciting a particular creed every Sunday in worship: the Apostles Creed or, perhaps, the longer and more theologically wordy Nicene Creed. Or, you may have grown up in a tradition that didn't do creeds at all: I became a United Methodist at age 25 and had to look at #881 in the Hymnal for about a year so I could recite the Apostles Creed along with the congregation.

*Creed* comes from the Latin word '*credo*,' which means 'I believe.' Creeds provide a concise summary of the basic affirmations that we as Christians believe: the Trinity (Father, Son, Holy Spirit), the Church, forgiveness of sin, resurrection, et. al. Creeds are a way to affirm our faith together.

In addition to the Apostles and Nicene Creeds, which are the oldest, United Methodists use a variety of affirmations of faith because our tradition is rooted in both unity and diversity. An affirmation of faith is not meant to be a single "creed" that every Methodist must say the same way every week. Instead, it's a way for us to join our voices together in declaring the heart of our faith in Jesus Christ.

If you take a look in our Hymnal, you will find, in addition to #880 The Nicene Creed and #881 & #882 The Apostles Creed (two different versions), there are several more Affirmations of Faith (#883-#889). In the past year, we have affirmed our faith in a variety of ways through all of these found in the Hymnal and some from other United Methodist and Christian resources. For example, in September, we used #s 887, 888, and 889 since they are all taken from the writings of the Apostle Paul, which went nicely with our sermon series *In the Footsteps of Paul*.

We have multiple affirmations because there are multiple ways we can speak our faith, and each one emphasizes a different aspect of the Christian story. Some highlight the ancient, universal faith we share with Christians of every tradition. Others lift up Methodist distinctives, like God's grace and our calling to live out faith through love and justice.

By using different affirmations, we remember that our faith is bigger than any single set of words. We also remind ourselves that the church is a living, global body of believers, united in Christ yet expressed in many voices and traditions.

The variety isn't about confusion—it's about richness. Each affirmation is another window into the same truth: that God is Father, Son, and Holy Spirit, and that we belong to God. This we believe!

October is pastor appreciation month. The Staff Pastor Parish Committee along with the congregation want to thank our special pastors Reverend Tompkins and Reverend Lybrand for being our loving shepherds.

Jonathan and Frank, God has chosen you, gifted you and blessed you. We are grateful for the sermons you preach, for the prayers you uplift, for your wise council, for your words of encouragement, for your sacrifice and for your service.
